"Keep up to date and find out what's happening around YOUR College"

LET'S TALK BRITISH VALUES

To support the government's initiative of Prevent Strategy, we promote the Fundamental British Values to our students. These values are Democracy, Rule of Law, Individual Liberty, Mutual Respect, and Tolerance of Different Cultures and Religions.

Our students are made aware of their rights, responsibilities and the consequences when these are broken. We encourage our students to have their own individual liberty to choose knowing that they are in a safe and supportive environment and how they contribute to these by sharing respect for the thoughts and feelings of other people even though we do not always agree with them. This plays a strong part in the school community as we encourage everyone to treat each other with respect which is cascaded through teaching.

These values are introduced starting from their induction and through their course of study.

GET TO KNOW THE TEAM

Most of you will know Georgia Cavender, our Administrator. She takes responsibility with the admissions of our students and deal with their day to day queries.

Georgia is originally from Peterborough and has previously worked within the NHS as a Healthcare Assistant in various departments including wound care, general medicine and orthopaedics. Georgia loves watching different TV series so if you know any good ones, please let her know.

If you need any help regarding your application, student finance or anything related to the college, please do not hesitate to contact Georgia on georgia.cavender@city-college.co.uk.
